

State Plan Summary Chart

NASFAA has created this user-friendly chart to give you basic information on the various state-sponsored savings and prepaid tuition programs. The chart answers the following questions.

- * Is it a prepaid program or savings program?
- * Are there any application or enrollment fees?
- * Is the program portable?
- * Does the program cover more than tuition and fees?

For more details about each program, contact information and direct links to their websites have been provided. Please note that information about these programs changes frequently. If you discover corrections that are needed for individual programs, please notify govtaffairs@nasfaa.org.
