Professional background

Theresa Monaco is Professor of Curriculum and Instruction and Director of the Center for Gifted and Talented Education at the University of Houston. Her homepage URL is http://www.uh.edu/~tmonaco. She has authored:

Dr. Melissa Pierson speaks with a student about her differentiated unit. She is delighted with her hard work and that of her colleagues.
Dr. Amber Meuth holds the Evaluation Form used to critique the differentiated units created by our teachers.

Dr. Theresa Monaco discusses the research on the differentiated unit of one of her students.
Our teacher-scholars put on quite a show for us, displaying their knowledge and research to their contemporaries.

As the research symposium ended, it left us all saying the same thing: “I can't wait to see what's in store for 2011!”
