Books4Cause: Used Book Collection
March 19th- March 23rd
Sponsored by NYU Administrative Management Council Community Service Committee

Here’s your chance to clear any dusty bookshelves! We are now collecting used books for a great charitable organization. Books must be in readable condition, but all genres and reading levels will be accepted. Their mission is described as:

“By donating gently used books to Books4Cause.com, donors create opportunities to help people in need. Book donations to Books4Cause.com have helped create over 100 libraries in Africa, recirculate hundreds of thousands of books and save millions more from landfills.”
