# Resources for Parents

**Going to college is an exciting time for students and parents. We also know that it can be confusing and that is why we've created the following resources to help you make the transition to college a little bit easier.**

---

## **1. Got Questions? Call the Parent Hotline**

Call and speak to our knowledgeable staff who can answer many of your questions. If there is something we can't answer, we will point you to someone here on campus that can.

## **2. Get Connected on the Parent Resources Website**

Our NYU Parent Resources website provides important dates and deadlines, information on ways to stay connected, suggested readings and links to helpful campus resources—we've got you covered! Staff members from the Student Resource Center are also available to answer questions throughout the year.

## **3. Don't Miss Important Dates at Next Stop NYU**

Next Stop NYU includes important dates and deadlines, health information forms, Welcome Week programs, commuter and residential programming, and a variety of other details to help your student prepare for their arrival in August. Separate communications will focus on school orientations, registration, and advisement. As you and your student plan for your arrival in August, we suggest keeping all of the mailings received throughout the summer in the same place so you can refer back to them as needed.

## **PARENT PROGRAMS**

**SUNDAY, AUGUST 24, 2014**

### **NYU Welcome Day and Move-In**

New undergraduate students and their family members are invited to stop by the Kimmel Center for refreshments, information and to meet representatives from various NYU offices and organizations. It's a great place to meet other parents and students, take a break, get a bite, pick up some free stuff, and if you haven't already, pick-up your student ID.

### **For-Parents-Only Welcome**

Parents of new undergraduates are invited to a 45 minute welcome presentation that will include an overview of the coming weeks for new students, tips for what to expect during your student's first year, and information about how parents can best access University offices and resources. This optional program will be offered throughout the day on a first-come, first-served basis.

**SATURDAY, NOVEMBER 8, 2014**

### **Parents Day**

Save the date for our annual Parents Day for the parents of new freshmen and transfer students. This one day program includes a morning academic program, afternoon workshops, a reception, and optional evening activities.
