ADVICE EMENT
All degree students are assigned advisers and are required to obtain adviser approval prior to registration. The adviser assigned to each student is familiar with the requirements and opportunities within his or her program of study. The adviser will consult with the individual student concerning (1) the selection of courses where alternate choices are possible, (2) the sequence in which courses may best be taken, (3) the methods by which exemptions may be secured, and (4) the method by which desirable and necessary substitutions may be authorized. For the most up-to-date and detailed information on requirements and procedures, students should check with their department. The responsibility for meeting the degree requirements rests with the student.
