RULES OF PROCEDURE
TENURED/TENURE TRACK FACULTY SENATORS COUNCIL
NEW YORK UNIVERSITY

I. Composition

1. Representation.

(a) Number. The Tenured/Tenure Track Faculty Senators Council will consist of not more than thirty-eight members of the Tenured/Tenure Track Faculty elected by the voting members of the several faculties of the University in the manner prescribed by the rules adopted by the Council for its own governance and consistent with these Rules of Procedure.

(b) Distribution. The thirty-eight elected representatives will be selected as follows: one from the Division of the Libraries of the University; six from the School of Medicine; and thirty-one apportioned among the colleges, schools, and the Abu Dhabi and Shanghai portal campuses by the method of equal proportions with the proviso that each college and school and each of the two portal campuses will be entitled to at least one elected Senator. Each year, the University Secretary and General Counsel will provide to the Tenured/Tenure Track Faculty Senators Council and the dean of each college and school and the vice chancellor of each of the two portal campuses the number of faculty members assigned to each for the purpose of Senate elections and will at the same time state the number of Tenured/Tenure Track Faculty Senator Council Senators to which each is entitled.

c) Eligibility. A Tenured/Tenure Track Faculty Senators Council Senator whose term has expired will be eligible for reelection. For purposes of the election, any Tenured/Tenure Track Faculty member who is a member of more than one faculty will be assigned by the
President and Chancellor to one faculty only, and any Tenured/Tenure Track Faculty member, otherwise eligible to vote, who is not formally attached to a faculty will be assigned by the President and Chancellor to one of the faculties of the University. Any Tenured/Tenure Track Faculty member who holds an administrative office and whose administrative responsibilities encompass a college, school, portal campus, the Division of the Libraries, or the University will not be eligible for election to the Tenured/Tenure Track Faculty Senators Council. Final determination of eligibility for membership rests with the extant Tenured/Tenure Track Faculty Senators Council.

d) **Time of Elections.** In order to best assure the effective operation of the Council, all elections for members of the Tenured/Tenure Track Faculty Senators Council should be held prior to the University Commencement in May. The name of each representative to the Senate should be transmitted to the Secretary of the Senate within five days of the University Commencement in May.

2. **Term of Office.**

   a) Each representative shall serve for a term of three years, from September 1 of the first year until August 31 of the third year, inclusive.

   b) The membership of the Tenured/Tenure Track Faculty Senators Council shall be divided into three groups, serving in staggered three-year terms, in order to provide continuity. In no event shall the terms of a single faculty end in the same year, except when a school has only one Senator. One third of the representatives shall be chosen each year.

   c) The term of office of one class shall expire August 31 each year, and the names of the new representatives shall be presented and their offices confirmed at the first meeting of each academic year.

3. **Nomination and Election of Faculty Senators: Best Practices.**

   (a) Nominations may be made and elections may be held in any manner adopted by the tenured and tenure-track professorial members of the faculty of each school, provided that there is reasonable opportunity for the presentation of at least three nominees for each Senatorial position (whenever possible), that reasonable notice of the nominations and the election is given to the members of the faculty, and that the nominating and electoral process is conducted by secret ballot, by the faculty free from interference by School or University administrators. These administrators include but are not limited to those represented on the Deans Council and Administrative Management Council, and officers of the University as described in the NYU Bylaws.

   (b) Alternatively, if the voting professorial members of the faculty of any School fail to adopt nominating and electoral procedures as provided in subsection (a), the nomination and election of Senators shall be conducted in the following manner. The School’s faculty shall appoint a nominating committee to present at least three names for each Senatorial position, whenever applicable, to the voting professorial members of their faculty by mail at least one week before an election. The notice calling the meeting at which an election is to take place shall specify that the election is among the purposes of the meeting. At such a
meeting, nominations may be made from the floor. The meeting shall be held before university commencement in May of the final year of the three-year term of the representative(s) then in office. This entire process shall be conducted by secret ballot, and by the faculty free from interference by School or University administrators, as specified above.

(c) Each school’s procedures shall be published on the T-FSC website so that members of each school can know and monitor them. Whenever applicable, these should include who solicits nominations, when and how; how nominees are validated as eligible; whether biographies of nominees are provided; who conducts the election and counts the votes, including when and how; and who reports results to the Manager of Faculty Governance.

(d) On a considered belief that either a School has failed to adhere to the procedures adopted by its voting professorial members as provided in subsection (a) or, if no procedures were adopted, a School has failed to adhere to the procedures as described in subsection (b), a detailed written complaint, signed by no fewer than three voting professorial members or 50% (whichever is smaller) of the respective School, may be filed with the Manager of Faculty Governance. Such complaint will be investigated by the Governance Committee in consultation with the Executive Committee. The full Tenured/Tenure Track Faculty Senators Council will determine an appropriate remedy, which may include the requirement of a new election. In no event, however, will any Senator elected under procedures challenged herein be unseated during the pendency of the complaint and the seating of a replacement Senator, should that prove necessary. Until the challenge is settled, the replacement Senator shall not be seated.

4. **Alternates and Vacancies.**

(a) Each faculty shall elect an alternate representative for each Senator who shall serve if the elected representative is unable to attend a meeting of the Tenured/Tenure Track Faculty Senators Council. If it is known that a representative shall be unable to serve for three consecutive months during one academic year, the nominating committee authorized to present names for election shall decide whether the alternate shall serve as a replacement for the period of such absence, or for the remainder of the unexpired term, or only until the vacancy can be filled at the next regular election of members.

(b) In cases where an alternate is representing or replacing a Senator, he/she shall have full voting privileges.

(c) Alternate Senators are encouraged to attend occasional meetings of the Tenured/Tenure Track Faculty Senators Council in a non-voting capacity and to attend occasional Senate meetings as guests of their Senators in order to acquaint themselves with the operation of these bodies.

(d) If they have particular interest or expertise, alternate Senators may be asked to serve on committees, with the right to vote on committee matters should that be required. However, alternates should generally not be asked to serve as committee chairs unless they are in an extended period of active service (see 4 a and b).
(e) A faculty failing to elect a representative to fill a vacancy shall be without such representative until one is elected in accordance with these rules.

II. Officers

1. Executive Committee. The officers of the Tenured/Tenure Track Faculty Senators Council shall consist of a Chair, Vice Chair, Secretary, Past Chair, and the Chair-elect, which together shall comprise the Executive Committee.

(a) The Chair shall preside at all meetings of the Tenured/Tenure Track Faculty Senators Council. In the absence of the Chair, the Vice Chair shall preside at the meeting. In absence of both the Chair and the Vice Chair, the Secretary shall preside.

The Nominating Committee for the election of the Vice Chair and Secretary shall also include, as an ex-officio voting member, the Chair-elect.

(e) T-FSC members in any year of their term are eligible for election to the position of Chair, Vice Chair, or Secretary. If the Chair-elect or Vice Chair-elect or Secretary-elect is in final year of his/her Senatorial term, then his/her term will automatically be extended by one year and the school election normally scheduled for that Senator’s seat will be postponed for one year. In no event, however, may a Senator’s term be extended by more than two years under this provision.

4. **Terms of Service.**
   
   (a) The Chair-elect, Vice Chair-elect, and Secretary-elect will assume their offices following the May meeting of the Council and serve until the following May.
   
   (b) To ensure continuity, the Past Chair, Past Vice Chair, and Past Secretary will continue to serve on the Executive Committee without voting privileges for one year, even if they have completed their elected terms of office as Faculty Senators.

A motion from the floor is possible but, without this prior notice and documentation, the vote will normally take place at the next T-FSC meeting following the debate and in exceptional cases by e-mail no less than one week after the debate.

Appendix A

There are 5 basic features of shared governance:

1. **Representation**

   WHEREAS: Shared governance means that input from the faculties’ duly elected representatives (T-FSC) is central to the process of “consulting with faculty”,

   IT IS RESOLVED: That the Tenured/Tenure Track Faculty Senators Council will have representatives, selected by the T-FSC, on University Committees, Taskforces, or other like bodies dealing with all matters that affect faculty and university policy.

2. **Information**

   BACKGROUND: The Tenured/Tenure Track Faculty Senators Council functions as the personnel committee for the faculty. As such, it is obligated to represent the faculty’s interest in dealing with the administration, and to ensure that the faculty is informed on issues that pertain to them and impact their well-being. It has been common practice by the administration to impose a rule requiring confidentiality with respect to deliberations on certain topics, such as, but not limited to, benefits. This practice is referred to as “deliberative privilege”.

   WHEREAS: This practice prevents the faculty from obtaining timely knowledge concerning issues that affect them, and

   WHEREAS: This practice prevents the administration from obtaining valuable feedback from the T-FSC, and when appropriate, from the entire faculty,

   IT IS RESOLVED: That the Tenured/Tenure Track Faculty Senators Council does not support the practice of a code of confidentiality, also known as “deliberative privilege”, except in cases concerning information specific to individuals, whose privacy rights transcend the need for transparency, and cases involving university negotiating positions with external financial entities.

3. **Consultation**

   WHEREAS: Consultation is a means to obviate potential crises of confidence that can occur when a decision-making group within an organization unilaterally imposes its decisions on the organization, and

   WHEREAS: The quality and effectiveness of academic policy making depends on consultation between informed faculty representatives and the other principals in the University’s decision-making process, and

   WHEREAS: Shared governance means seeking and evaluating faculty input before decisions that affect faculty are made and adequately responding to faculty input,

   IT IS RESOLVED: That when a decision is not pressing, a reasonable length of time for consultation must be provided. During semesters, this means at least a few weeks in order for at least one T-FSC meeting to occur. For decisions that must occur during the summer, when T-FSC is not in session, the T-FSC will
establish, before its last meeting of the spring semester, an internal structure for timely consultation and input to administration decisions that affect the faculty.

4. **Reasoned Justifications**

WHEREAS: Accountability is an important element of the consultation process,

IT IS RESOLVED: That when T-FSC advice is not taken, the Administration will provide, in writing, its reasons for not accepting the T-FSC’s advice developed through the process of consultation.

5. **Communications**

WHEREAS: Access to information is fundamental to policymaking,

IT IS RESOLVED: That T-FSC Senators will circulate, through their Schools and departments, the agreement T-FSC worked out with the Administration (see Memo from Provost McLaughlin, 3/3/2011), which allows Senators access to email addresses of all faculty for the purpose of communicating with the faculty (their constituents).

IT IS RESOLVED: That T-FSC Senators are obligated to keep their respective faculty informed on an ongoing basis.

**Appendix B**

Addendum to the Resolution on Nomination and Election of Faculty Senators (I.3.)

School election officers and University and School administrators –including but not limited to those represented on the Deans Council and Administrative Management Council, and officers of the University as described in the NYU Bylaws– should avoid any appearance of impropriety or conflict of interest during elections for Senators to serve on the Tenured/Tenure Track Faculty Senators Council. For this reason, it is preferable that members of School election committees, University and School administrators, or any other person charged with carrying out and/or monitoring elections should refrain altogether from publicly campaigning on behalf of any candidates vying for election to the Tenured/Tenure Track Faculty Senators Council. This includes, but is not limited to offering public statements on a candidate’s behalf; using any form of print or electronic media to circulate statements on a candidate’s behalf. Further, no member of School election committees may utilize, or provide candidates or persons advocating on behalf of candidates, exclusive access to faculty contact information.
