Course Meetings: Wednesday: 9:30-12:15

Office Hours: Tuesday 3-4

Email:

This course provides an overview of the politics of public policy in a constitutional democratic system, primarily practiced in the United States, but often in comparative perspective. The first half of the course introduces students to the models of policymaking and policy analysis. The second half examines the role of American political actors and applies the models from the beginning of the semester to specific policy areas.

**REQUIRED BOOKS & READINGS:**
- Additional course documents are available on Classes

**ASSESSED VALUATION:**
- Participation: 10%
- Midterm: 25%
- Policy Memo (2): 30%
- Presentation: 10%
- Final: 25%

**Late assignments are not accepted.** To create a fair and equal policy all students are required to turn in assignments on the due date specified in the syllabus.

**Students with disabilities:** Any students requiring accommodations should contact me to make proper arrangements. Please be prepared to share your documentation from the NYU disabilities office regarding appropriate accommodations.

**Academic Honesty:** This course follows NYU’s policy on plagiarism. The academic community regards academic dishonesty as an extremely serious matter with serious consequences. In short, don’t cheat.
