**Pre-K through 12 Outreach and Tutoring**
Primarily geared toward New York City’s under-served students and schools, NYU programs support the educational experience of Pre-K through 12 students across the city. University students and faculty participate in a range of programs including tutoring, student teaching, teacher technical assistance, college preview programs and more.

**District 2 Impact:**
- 36,800 hours of tutoring by 20 NYU undergraduate and graduate students in public schools and early childhood centers
- 216 Hours of campus tours conducted for students from 6 NYC public schools
- 7,140 hours worth of NYU classes taken by NYC public high school students*

**Student Volunteers**
NYU students spend thousands of hours volunteering across the City, in an effort to improve their world and their communities. Outreach efforts are focused at New York City’s smaller non-profit organizations where helping hands contribute the most. These programs encourage effective citizenship, develop student leaders and create a sense of community for the students and the people they work with.

**District 2 Impact:**
- 45 students volunteer projects within a broad range of organizations
- 23,000 service hours with 700 NYU civic team volunteers providing ongoing service to 30 nonprofits*

**Health and Wellness**
From mobile vans that can travel to serve high need areas around the City and State, to direct outreach provided by social workers, educational experts, nurses, dentists and doctors in training, NYU’s training practitioners and faculty provide extensive assistance to some of New York’s neediest communities of all ages.

**District 2 Impact:**
- 7 oral health and student/faculty volunteer outreach projects

**Non-Profit, School, and Small Business Assistance**
By providing real-world opportunities and pre-professional experiences for students, NYU’s coordinated efforts also offer much needed support to local non-profits, schools and small businesses. Projects and services range from direct counseling support, to operational assessments and studies, to management and governing assistance.

**District 2 Impact:**
- Social work assistance to 66 organizations
- Assistance to 39 organizations by 52 student projects within the College of Arts and Science
- Assistance to 30 organizations through art, drama, music and occupational therapy student placements

**Direct Support**
In addition to the “in-kind” support that the University coordinates and supplies through its student, faculty and administrative efforts, direct financial contributions are also made to demonstrated needy organizations throughout the City. Through individual school and division efforts as well as the annually coordinated fundraising drive, hundreds of thousands of dollars are provided in direct support to various non-profit and community organizations.

**District 2 Impact:**
- $46,800 of grants awarded to 39 community sites by full-time employees
- $130,000 of NYU sponsorships and direct support to local nonprofit organizations*
- $28,000 donated through the United Way of New York City by full-time NYU employees*
