Pre-K through 12 Outreach and Tutoring
Primarily geared toward New York City’s under-served students and schools, NYU programs support the educational experience of Pre-K through 12 students across the city. University students and faculty participate in a range of programs including tutoring, student teaching, teacher technical assistance, college preview programs and more.

Student Volunteers
NYU students spend thousands of hours volunteering across the City, in an effort to improve their world and their communities. Outreach efforts are focused at New York City’s smaller non-profit organizations where helping hands contribute the most. These programs encourage effective citizenship, develop student leaders and create a sense of community for the students and the people they work with.

DISTRICT 4 IMPACT:
- 6 students volunteer projects within a broad range of organizations.
- 46,200 service hours with 700 NYU students serving over 10,000 New York City residents.*

Health and Wellness

DISTRICT 4 IMPACT:
- Oral Health Dental screenings to the Stanley Isaacs NORC (Naturally Occurring Retirement Communities).
- 1 Dental van visit.
- 4 oral health and student/faculty volunteer outreach projects.

Small Business Assistance
By providing real-world opportunities and pre-professional experiences for students, NYU’s coordinated efforts also offer much needed support to local non-profits, schools and small businesses. Projects and services range from direct counseling support, art, drama, and music education, to operational assessments and studies, to management and governing assistance.

DISTRICT 4 IMPACT:
- 6 year-long student team consultant project serving non-profits.

Non-Profit, School, and Direct Support
In addition to the “in-kind” support that the University coordinates and supplies through its student, faculty and administrative efforts, direct financial contributions are also made to demonstrated needy organizations throughout the City. Through individual school and division efforts as well as the annually coordinated fundraising drive, hundreds of thousands of dollars are provided in direct support to various non-profit and community organizations.

DISTRICT 4 IMPACT:
- $138,000 of sponsorships and direct support in NYU local nonprofit organizations.*
- $28,000 donated through the United Way of New York City by full-time employees.*
