NYU Council District 8

Pre-K through 12 Outreach and Tutoring

Primarily geared toward New York City’s under-served students and schools, NYU programs support the educational experience of Pre-K through 12 students across the city. University students and faculty participate in a range of programs including tutoring, student teaching, teacher technical assistance, college preview programs and more.

DISTRICT 8 IMPACT:
- 18,400 hours of tutoring by 100 NYU undergraduate and graduate students in public schools and early childhood centers
- 7,140 hours worth of NYU classes taken by NYC public high school students*

Health and Wellness

From mobile vans that can travel to serve high need areas around the City and State, to direct outreach provided by social workers, educational experts, nurses, dentists and doctors in training, NYU’s training practitioners and faculty provide extensive assistance to some of New York’s neediest communities of all ages.

DISTRICT 8 IMPACT:
- 4 faculty and student volunteer projects
- 1 NYU Dental Van visit

Student Volunteers

NYU students spend thousands of hours volunteering across the City, in an effort to improve their world and their communities. Outreach efforts are focused at New York City’s smaller non-profit organizations where helping hands contribute the most. These programs encourage effective citizenship, develop student leaders and create a sense of community for the students and the people they work with.

DISTRICT 8 IMPACT:
- 7 student volunteer projects within a broad range of organizations
- 23,000 service hours with 700 NYU Civic Team volunteers providing ongoing support to 30 non-profit organizations

Direct Support

In addition to the “in-kind” support that the University coordinates and supplies through its student, faculty and administrative efforts, direct financial contributions are also made to demonstrated needy organizations throughout the City. Through individual school and division efforts as well as the annually coordinated fundraising drive, hundreds of thousands of dollars are provided in direct support to various non-profit and community organizations.

DISTRICT 8 IMPACT:
- $1200 of grant awards to 1 nonprofit organization through annual employee-based campaign
- $138,000 of NYU sponsorships and direct support to local nonprofit organizations*
- $28,000 donated through the United Way of New York City by full-time employees*

Non-Profit, School, and Small Business Assistance

By providing real-world opportunities and pre-professional experiences for students, NYU’s coordinated efforts also offer much needed support to local non-profits, schools and small businesses. Projects and services range from direct counseling support, art, drama, and music education, to operational assessments and studies, to management and governing assistance.

DISTRICT 8 IMPACT:
- Social work field placements at 41 social service organizations
- Assistance to 10 organizations by students of the College of Arts and Science
- Assistance to 12 organizations through art, music, and occupational therapy student placements
- Assistance to 4 organizations by students for the Stern School of Business
