COMMUNITY ADVISORY NOTICE

WATERMAIN CONNECTION AT WASHINGTON SQUARE PARK
PROJECT #MED608

Borough: Manhattan September 30th, 2015

TEMPORARY NO PARKING

BEGINNING ON/ABOUT MONDAY OCTOBER 5TH–FRIDAY OCTOBER 16TH

Monday-Friday, from 7AM – 4PM

At the Following Locations:

➤ Beginning on the Intersection of Washington Sq. East/Washington Place, and continuing to mid-block of University Place
➤ Mid-block of Waverly Place to Fifth Avenue
➤ Fifth Avenue from Washington Sq. North to Washington Mews

Please be advised that beginning on/about Monday, October 5th and continuing for approximately two (2) weeks, (weather and field conditions permitting), the contractor will begin excavating test pits to identify the locations of existing sub-surface infrastructures and/or utilities. The information gathered from the test pits will be used to determine the location of the new trunk water mains.

Parking spaces at the above locations will only be removed during work hours, to facilitate construction operations. At the end of the day parking will be restored.

Traffic/Community Impacts:

• NO PARKING: “No parking signs” will be posted by the Contractor throughout the affected areas. Please check signs daily/regularly.
• Emergency vehicle and Pedestrian access will be maintained at all times.
• Certain operations may be noisy; DDC will monitor operations to assure that they are within the DEP Noise Code regulations.
• Water, gas, electric, telephone, and cable services should not be interrupted.

If you have any questions, concerns, or would like to be added to the electronic Neighborhood Notification Network (NNN) list, please contact the Community Construction Liaison (CCL) Ms. Bridget Klebaur at washingtonsqpkcc@gmail.com. (Field office address and CCL phone number TBD).

We appreciate your cooperation and thank you for your patience during the Water main Connection at Washington Square Park
