Understanding the Plan
• Clarify “Original” Medicare. This includes Part A (covers hospital costs) and Part B (covers doctor visits, other “medically necessary” services)
• Educate about Medicare Advantage plans (Part C), and how they compare to Original Medicare
• Discuss Medicare Part D prescription drug plans

We Will Give You Guidance
• Review all the parts of Medicare. Medicare is not free! Learn about the deductibles, coinsurance, co-pays and premiums that may apply
• Research Medigap plans, which supplement Original Medicare coverage
• Alert you to enrollment deadlines to avoid penalties
• Explain how Medicare works with your employer’s or spouse’s health benefits
• Locate Medicare-participating physicians

Circle the Date!
Call us three months before your or your spouse’s 65th birthday. We can help you review your coverage options, answer any questions, and help you apply for coverage so you can avoid costly penalties.

Remember… Your Personal Health Advocate can answer any of your Medicare questions as well as assist you with a variety of healthcare and insurance-related issues. Eligible employees, their spouses, dependent children, parents and parents-in-law are all covered.
Just call or email answers@HealthAdvocate.com.
