Retirement Planning

No matter your age, there are steps you can take now to make your retirement transition easier. Do you know your NYU Medical Plan and Social Security options? How to withdraw your retirement savings? There are many important considerations for these decisions. We are here to help!

Join us for a Zoom meeting on Friday, September 25 from 12 p.m. to 1:30 p.m.
Register today at TIAA.org/Faculty. Start planning for your future now.

The workshop leaders will discuss the following topics:

**Within Reach: Transitioning from career to retirement**
Presented by TIAA
- Plan how you'll spend your days and how to help make your savings last
- Learn about how you can pay yourself once you're no longer earning a paycheck
- Accounting for Social Security, taxes, healthcare, insurance, estate planning

**Making the most of Social Security**
Presented by the Social Security Administration
- Understand the importance of Social Security in your savings plan
- Take the steps you need to maximize your claiming strategy
- Plan for your retirement income

**Retiree medical**
Presented by NYU
- Overview of retiree benefits
- Eligibility and how to enroll

**Medicare**
Presented by Health Insurance Information, Counseling, and Assistance Program (HIICAP)
- Learn how Medicare operates
- Understand what plans are available to you
- Eligibility and choices

**Envisioning your retirement**
Presented by the Work Life Office
You’ve likely spent much of your career establishing and carrying out your own research and teaching agenda. What’s next? Research shows that finding a purpose and meaningful activity not only makes you happier but also can improve health. Learn ways to help you figure out your next phase of life.
