These hours are based on the need of the hall staff and may include both weekday and weekend hours. Please note that the residence hall work environment does encounter peak times including opening, closing and transition periods. That said, some weeks more than 25 hours may be needed. When this is the case supervisors will reduce hours in non-peak times to balance out hours.

**PA Outside/Additional Work Policy:** Participation in leadership positions and work experiences are an important part of one’s educational experience. However, since the PA position must be the primary out-of-class activity of those students who are selected, it is paramount that participation in aforementioned activities not be excessive in time required outside the hall and must not come in conflict with the PA position. The PA position requires a minimum of 25 hours per week of contact time within the residence hall during the period of employment.

PAs who have been awarded work study money through the Office of Financial Aid will not be barred from taking advantage of this type of aid.
