

Request for Risk Project Form

Summary: In the event that an official fully executed award has not materialized, schools/departments may request the establishment of a risk (advance) project. This requires the approval of the Fiscal Officer and a default chartfield. This chartfield will be used to cover any expenses that are not reimbursed should the funding not materialize. Items to submit with this form must include any documentation pertaining to the award (i.e.: unsigned contract, proposal, budget grids, email communication with sponsor specifically mentioning this agreement).

1) Cayuse Proposal ID:

2) Principal Investigator:

3) Sponsor:

4) Project Title:

5) Project Period:

6) Department Id:

7) Total Anticipated Award Amount:

8) Default Chartfield: _____ - _____ - _____

Additional Comments

Approval: _____ (Name) _____ (Title) Date: _____

Notes

- *Please attach proposal/contract and budget with this form*
- *Budgets will be established at 25% of anticipated award amount.*
- *Project period will be limited to 3 months*
- *Extensions or increases will require new request form to be completed.*
