- Dining halls are closed or on a limited schedule during breaks and holidays. For dining facility hours, go to www.nyu.edu/dining
- NYU does not close for religious observances, however students may ask to be excused from class and must make arrangements with professors to make up any missed work.
- Before making travel plans, be sure to consult your student on their final exam schedule for the end of the semester. Also note that students must plan to move-out of their residence within 24 hours after their last exam if they are leaving housing (i.e. for study away or summer).
