      i. Senators needed - Chair Hengerer notes senators who are interested in participating.
   b. Resolution for MTA Metrocards - Senator Ezechi and Senator Thomas detail updates to the resolution. See hand out. Change in title from Subsidization to Reducing Cost of Metropolitan Transportation Association Service Fees for Students. The floor is open for
discussion on the resolution. Chair Hengerer requests a motion to approve the resolution, the motion is seconded, and approved unanimously 28 votes.

8. New Business
   a. Diversity and Inclusivity @ NYU
      i. Chair Hengerer gives background on the conversations that have been happening around diversity and inclusivity at NYU. Over 1,000 students attended the listening session in person and over 1,500 accessed it online. Chair Hengerer notes that the purpose of this listening conversation is to bring action from the conversations.
      ii. He invites speakers from the Black and Brown Coalition (comprised of student leaders from various groups on campus) to present. See handout. They detail important highlights from the list of demands presented to the university. An updated list will be sent electronically to the SSC. As there is a new president incoming, and the timeline is important. The representative details their proposed timeline (50% of demands responded to by 1st day of class spring 2016), they also focus on items that impact student governance and club life.
      iii. The floor is open for questions, concerns, and comments. Note - all SSC members should watch the Listening Session if they have not already. Questions are asked about dividing the list into immediate and long term asks, as well as measures in place to quantify if these asks are being met. Questions are addressed around inclusion of ultimate identities including students with disabilities. A suggestion is made for at large senators to come with the support of the communities they represent. The Black and Brown Coalition is open to discussing a different mode of representation (adjunct committee etc). The online application for alternate senator at large is open and will be shared with members from the Black and Brown coalition.
   b. Diversity training for faculty, staff and students - Alt. Senator at Large Thibault proposes the recommendation for mandatory diversity training for students, staff, and faculty. (See handout). Alt. Senator at Large Thibault asks the SSC to review and raise any concerns or suggest any changes and edits to the proposal.
   c. Behavior of Student Representatives - Vice Chair Sakai-Kawada notes that complaints were raised around the behavior of Student Representatives and asks the SSC to open dialogue and remind themselves to take space and make space. Senator Gardner request a motion to move to a confidential closed camera format for this discussion. The motion is seconded but does not pass by 2/3 vote. Specifically regarding the last UCSL meeting - concerns regarding senators leaving before students were finished speaking, or motions proposed to limit or silence students was addressed. As Senators or Presidents it is our duty to represent students and listen to our constituency. Senator Newburgh raises a point of order and requests individuals avoid using the "you" pronoun to keep this discussion from being misinterpreted and combative. Suggestions are made around professionalism and quietly excusing oneself from the room if the meeting is
extended past your availability. The idea of the Student Senator acting as servant to their constituency is raised.

d. Motions from the Floor - Senator Gardner provides updates around the Coles construction and sustainability and requests feedback and additional involvement.

9. Presentation on NYU’s Academic Planner - Elizabeth Kienle-Granzo, University Registrar, NYU Miko Sanchez, Associate Registrar NYU
   a. Will be discussing and presenting a new tool that lives in Albert: Academic planner
   b. Hoping this will make navigating course offerings and future schedule planning easier, as well as help navigate studying away.
   c. Also acts as a hub of communication between student, advisors, and administrators.
   d. Currently all of CAS has access. She details the next phase of the rollout and future phases.
   e. Ms. Sanchez takes the SSC through a demo of the new system which will be accessible through Albert student center.
   f. The floor is open to questions from the SSC - concerns regarding changing course listings, changing majors, study away, etc are addressed. The registrar will work directly with each school’s Curriculum planning committee to update lists, if you change your major, it will be read and your plan will auto update. It should read study away requirements filled clearly.
