New York University Fraternity and Sorority Life Social Fraternity and Sorority Relationship Policy

Social fraternities and sororities are a subset of registered student organizations at New York University (NYU). These organizations are values based and founded on the principles of leadership, scholarship, civic engagement, and friendship. These ideals along with the support of the Office of Fraternity and Sorority Life (FSL) will promote the highest standards for the principles of which these organizations strive to achieve. New York University recognizes and supports the members and chapters of the social fraternity and sorority community as crucial part of its mission to be a top quality international center of scholarship, teaching, and research.

A recognized social fraternity or sorority will complement the curricular and co-curricular aims of NYU by enhancing student growth and development. The University is committed to assisting fraternities and sororities to achieve their potential. Through the endeavors of the institution, the University will support fraternities and sororities in accomplishing their goals. Additionally, fraternities and sororities are not a functional office of NYU and, therefore, “at NYU” may be used for institutional recognition not “of NYU”. Each fraternity and sorority is, and remains, an independent legal entity responsible for its own actions and for meeting its own legal obligations. NYU reserves the right to withdraw the privileges conferred by this policy and to take any actions as may be lawful and appropriate.

New York University recognizes the authority of the Interfraternity Council, Multicultural Greek Council, and the National Panhellenic Conference. The aforementioned councils will follow the guidelines of their (inter)national umbrella organizations, which are but not limited to, the National Association of Latino Fraternal Organizations (NALFO), National Asian Pacific Islander American Panhellenic Association (NAPA), National Interfraternity Conference (NIC), National Panhellenic Conference (NPC), and the National Pan-Hellenic Council (NPHC). These councils will regulate matters of fraternities and sororities subject to their governance and university policies. Additionally, NYU undergraduates must maintain membership of NYU fraternal organizations only; city-wide chapters are not recognized.
