Zeta Tau Alpha New Member Education Program

Zeta Tau Alpha
Lambda Theta

**Not participating in COB this spring**

The purpose of the entire new member experience of Zeta Tau Alpha is for new members to learn all about the sisterhood they just joined and to inspire them to be Zetas for life. Essentially, it is not how to be initiated; it is how to truly understand Zeta Is Forever. They will feel included in our chapter and learn the ins and outs of what being a Zeta at NYU really means. They will be involved in many new member events, rituals, and more. It is a very fun program where they will make connections with people and have experiences that will last forever!
