Tips:
• All Residence Halls remain open during all breaks and Public Safety officers are on-duty year round.
• Dining halls are closed or on a limited schedule during breaks and holidays. For dining facility hours, go to www.nyu.edu/dining
• NYU does not close for religious observances, however students may be asked to be excused from religious services and must make arrangements with professors to make up any missed work.
• Before making travel plans, be sure your student has confirmed their exam schedule, which can vary by professor, and may mean earlier availability at the end of a semester. Also note that students must plan to move-out of their residence within 24 hours after their last exam if they are leaving housing (i.e. for study away or summer).
• Calendar dates are subject to change. Updates will be posted in the monthly e-Parent Newsletter—subscribe online at www.nyu.edu/parents
