

Predicted Score Submission Form

At NYU, we are pleased to consider a wide range of regional and national examinations to fulfill an applicant's standardized testing requirement. A full list of approved examinations can be found on our website at admissions.nyu.edu/standardized-tests.

If final results are unavailable at the time of application, predicted results may be submitted using this form, or your own school form. Scores may be submitted in a sealed envelope, via email from an official school email, or uploaded in the Common Application with transcripts.
