

Facilities & Construction Management Notice of Construction Activity Cogeneration Plant Upgrade

Activity: Con Edison Vault Installations on 3rd Street

Notice Date: 2/13/2008

Purpose:

The Office of Facilities and Construction Management is undertaking the upgrade and expansion of the NYU Cogeneration Plant. The following work is required as part of the process to relocate Con Edison electrical vaults out of the Mercer Plaza.

Description of Construction Activity:

A construction crane will be installing four concrete vaults below the sidewalk on the north side of 3rd Street. These vaults house Con Edison electrical equipment and are replacing the existing vaults located within the Mercer Plaza. The existing construction barriers will be relocated to the curb prior to any work beginning. These barriers will then be relocated back upon completion of the work either Saturday afternoon or Monday morning.

Dates / Start and End Times of Work:

The work is scheduled to begin 8AM this Saturday February 16th and should be completed by 4PM. The work is scheduled for the weekend due to DOT traffic concerns.

Contact Information:

Contact NYU Facilities & Construction Management Help Desk @ 212 998-1001 or via email at fcm.helpdesk@nyu.edu with any questions or concerns.

Disruptions:

- Noise - Minimal crane and truck noise.
- Traffic - Road cones and caution tape will be used to divert pedestrian traffic during this work. One lane of traffic will remain available on 3rd Street.
- Dust - None
- Utilities - None
