

## Facilities & Construction Management Notice of Construction Activity

**Project Name:** New Academic Bldg. 12-16 Waverly Place | **Notice Date:** 2/17/09

**Purpose:** Removal of the existing temporary walkway and install overhead protection (sidewalk shed) at 15 Washington Place rear courtyard.

### **Description of Construction Activity:**

Overhead Protection (sidewalk shed) will be installed in the rear courtyard of 15 Washington Place.

Workers will remove part of the existing temporary walkway and install a sidewalk shed from the ground up to the first floor. This will serve as an overhead protection in the event tenants need to evacuate from the building through the fire escapes and into the courtyard.

### **Dates / Start and End Times of Work:**

This work is anticipated to occur during the week of 2/23/2009. Work will be performed during normal construction hours, 7 am to 4 pm. Work is expected to take 4 days. The sidewalk shed will remain until April of 2010.
