

## Facilities & Construction Management Notice of Construction Activity

**Project Name:** New Academic Bldg. 12-16 Waverly Place | **Notice Date:** 4/3/08

### **Purpose:**

Convert an existing ground floor apartment at 15 Washington Place into the Construction Managers Office for the Cogeneration Project and New Genomics Building. Establish a dedicated entrance for the construction managers and their contractors, removing the need to go through the building residents' main entrance.

### **Description of Construction Activity:**

1. Asbestos abatement of one ground floor window will start on April 21, 2008 and be completed in two (2) days. All abatement activity will be performed in accordance with New York City Department of Environmental Protection regulations. An independent industrial hygienist will be on site at all times during the abatement process to ensure compliance and perform air monitoring. All abatement work will be performed inside the apartment.
2. On April 23<sup>rd</sup>, a contractor will convert the existing window opening into an entry way.
3. There will be minor interior renovation inside the apartment that will not affect the building entrance or daily activities.

### **Dates / Start and End Times of Work:**

**Start date:** April 21, 2008 (est.)

**Completion date:** May 19<sup>th</sup>, 2008 (est.)

### **Contact Information:**

Please contact the NYU Facilities & Construction Management Help Desk @ 212.998.1001 with any questions or concerns.

### **Disruptions:**

*Noise* – Chopping of masonry as required converting window opening to door entrance.

*Sidewalks* – None

*Traffic* – None

*Dust* – None

*Utilities* – None
