

Facilities & Construction Management Notice of Construction Activity

Project Name: New Academic Bldg. 12-16 Waverly Place | **Notice Date:** 3/25/08

Purpose: For tenant safety an egress fire escape walkway needs to be erected at the east and north side of the courtyard of 15 Washington Place.

Description of Construction Activity: At the ground level to just below the first floor window sills, at the east side and north (rear) side of the building, an egress platform with barrier, stair, and self locking exit door will be erected. The supports for the walkway will be drilled into the masonry walls.

Workers will access the rear courtyard through 16 Waverly Place.

Dates /Start and End Times of Work:

This work is anticipated to occur during the week of 4/1/08. Work will be performed during normal construction hours, 7 am to 4 pm and is expected to take 8 days. The platform walkway will remain until spring of 2010.

Contact Information:

Contact NYU Facilities & Construction Management Help Desk @ 212.998.1001 with any questions or concerns.

Disruptions:

Noise – Work will be performed outside in the rear courtyard and will produce construction-level noise.

Sidewalks – None

Traffic – None

Dust – None

Utilities – None
