

Facilities & Construction Management Notice of Construction Activity

**Project : The Center for Genomics and Systems Biology
at 12-16 Waverly Place**

Notice Date: February 2nd, 2009

Purpose:

To alert the community of the street closure for construction crane delivery.

Description of Construction Activity:

Assembling and Installation of construction crane at 16 Waverly Place.

Saturday February 28th 2009 and Sunday March 1st 2009 from 6am – 9pm, the following streets will be closed to vehicular traffic.

- A. Waverly Place: from Broadway to Greene Street
- B. Mercer Street: from 8th Street to Washington Place

Signs will be posted along these streets to notify motorist that parking is not allowed on Saturday 2/28/09 and Sunday 3/1/09 from 6am – 9pm. New York City Fire Department and Police Department have been notified of the street closures. All proper DOT permits have been obtained for this work.

We thank you for your continued support and cooperation.
