

SIFF M.A. PERFORMANCE THESIS GRANT

THE SIFF M.A. PERFORMANCE THESIS GRANT, established through the generosity of Gallatin master's alumna Karen Siff, is designed to help those graduate students who are writing a performance thesis with the costs associated with the production of their performances. Individual grants are awarded in amounts ranging from \$750-\$1000.

AUTHORIZED EXPENSES:

Costs have traditionally included (but are not limited to) the renting of performance and rehearsal space, the use of film and video equipment, and other miscellaneous expenses incurred through the production of a performance piece. (Please see the application on the reverse side, which indicates appropriate categories for funding.) *Students will receive the award in the form of reimbursement toward payments made; therefore, it is essential that you retain and submit all necessary original receipts.*

APPLICATION AND REVIEW PROCEDURE:

Eligibility is restricted to M.A. students whose thesis proposal has been approved by a Gallatin thesis reviewer. Once the proposal is approved, students may submit a grant application for consideration by The Gallatin Interdisciplinary Arts Committee. (The application follows this description; a one-page description of your performance project is a required part of the application.) For further information, please contact Jonathan Libutti, Administrative Aide, The Gallatin School, New York University, 715 Broadway, 8th Floor, New York, NY 10003.
