Assignment 11: 3–5 pages
Due Tuesday, April 21st at 8 P.M. Use Classes to submit this assignment. If you have a problem with Classes, send it by email to your preceptor.

Remember:

• Put your student number but not your name on your assignment. Assignments will be graded anonymously.
• No late papers.
• Use your own words—no quotations or paraphrases.
• Remember you must do one of the assignments after Assignment 7.

• Answer both questions, in order, the number preceding the answer.

1. Dennett critiques the assumption that dreams are experiences that occur during sleep. What exactly is his conclusion and what is the argument for it?

2. Do you think that Windt or Martinez-Conde or studies mentioned in class supply any evidence that can be used to blunt the force of Dennett’s critique? Explain your answer.
