Assignment 7: 3-5 pages
Due Tuesday, March 24th at 8 P.M. Use Classes to submit this assignment. If you have a problem with Classes, send it by email to your preceptor.

Remember:
• Put your student number but not your name on your assignment. Assignments will be graded anonymously
• No late papers.
• Use your own words—no quotations or paraphrases
• Remember you must do one of the assignments after Assignment 7
• Answer all questions, in order, the number preceding the answer. You can answer some of the questions very briefly, devoting most of your space to one or two questions.

1. What position are Cohen & Dennett arguing for?
2. What is their main argument for that position?
3. Evaluate their argument.
