Assignment 6: 3-5 pages
Due Tuesday, October 17th at 8 P.M. Use Classes to submit this assignment. If you have a problem with Classes, send it by email to your preceptor.

Remember:
- Put your student number but not your name on your assignment. Assignments will be graded anonymously.
- No late papers.
- Use your own words—no quotations or paraphrases.
- Answer all questions, in order, the number preceding the answer. You can answer some of the questions very briefly, devoting most of your space to one or two questions.

1. In one sentence, how would you define the term 'phenomenal consciousness'?
2. Very briefly, what is the difference supposed to be between phenomenal consciousness and access-consciousness?
3. What is the global workspace and what is broadcasting in the global workspace?
4. What is meant by the claim that phenomenal consciousness overflows access consciousness?
5. What is the significance of overflow for theories of consciousness?
