

Master's Program in  
**GLOBAL PUBLIC HEALTH**
**Professional Development Series 2008-2009**

These workshops and sessions will provide students the opportunity to explore different career paths, build their skill sets, network with public health practitioners, and prepare for internship and Capstone experiences. Note: dates, times and locations subject to change. Non-Global MPH NYU students interested in global public health careers are welcome to attend unless noted otherwise.

Registration is strongly encouraged. [\*\*RSVP HERE\*\*](#)

**Fall 2008**
