After 43 years you can finally see all 12 chapters of Universal's "Pirate Treasure."

Now in super 8mm black and white magnetic sound!

Your friend Herbie saw "Pirate Treasure" and told you to see it, too. But... that was in 1934. And you've never been able to find where it was playing. Because the day after Herbie told you, "Pirate Treasure" became lost to the world. Never to be seen again in a movie theatre or even on TV. Gone forever. Well...

Chapter 1: "The Stolen Treasure"
