From the Cosmopolitan Magazine Story by ADELA ROGERS ST. JOHN

THE REAL "INSIDE" STORY of HOLLYWOOD by ONE WHO KNOWS
Adela Rogers St. John, authoress of "Woman's Man" (The Great God Fourflush), has interviewed every big star in Hollywood including Hepburn, Pickford, Garbo, Harlow and dozens of others. Her fiction stories about the movie capital are featured by Liberty, Cosmopolitan and other national publications. "Woman's Man" is one of the best yarns ever written about the World's own land of make-believe.

A MILLION DOLLAR TOUR OF THE WORLD FOR 25c, 50c & $1.00

BOOK AND RE-BOOK MONOGRAM'S PORT O' CALL SERIES OF 13 BIG SHORT FEATURES

You can show your patrons all the wonders of the world with the "Port O'Call" series.

Here are 13 of the most interesting single reel travel adventures ever filmed. Here your patrons visit the far corners of the earth. Let them meet colorful people; let them see the fascination of far off places and pass through such amazing lands as Ceylon, Jaipur, Egypt, Delhi, Madura, Panama and Somaliland. There's no hit or miss, your patrons will actually see everything under the expert guidance of a professional globe trotter, who at the same time tells everything there is to know about every spot visited on the journey.
