| IND | Independent Study | JOU | Journal |
| WKS | Workshop | NCR | Non-Credit |
| PRP | Preparatory | | |
- 4**..... Points
The points, or credit hours, assigned to the course section. Examples:
4.0 A 4-credit course
1.0-6.0 A variable credit course which may be taken for any amount of credit within the specified range.
2.0;4.0 An alternate credit course which may be taken for either 2 or 4 credits.
- >** Requires a 4-digit access code available from the department offering the course.
73082..... Course Call Number
Used web and telephone registration only.
Each section of a course has been assigned a specific Course Call Number for use in both Albert and TorchTone registration.
If preceded by a ">", permission is required to register for the course.
- 001**..... Section Number
A course may be taught at more than one time; the section number distinguishes the separate offerings of the same course.
- TR**..... Course Days
A single character represents each day of the week.
M Monday
T Tuesday
W Wednesday
R Thursday
F Friday
S Saturday
U Sunday
- 09:55AM-11:10AM** Start/End Time
The starting and ending time or each period in which the class meets.
- SILV 707**..... Bldg./Room
The building and room where the class will meet.
- Bonomi** Course instructor
- Notes:** Relevant notes relating to restrictions, prerequisites and co-requisites are listed before and after course listings.
