Dear «Name»,

Congratulations on your admission to NYU in «Site» for the spring 2009 semester! We are excited to have you experience the incredible personal development: academically, culturally, and personally that occurs through international study. With NYU programs abroad you will learn from prestigious local faculty, have the opportunity to immerse yourself in a new culture, and have the support of committed staff members.

Enclosed please find important information about life abroad, but you should also visit the “Admitted Students” section of our website ([www.nyu.edu/studyabroad](http://www.nyu.edu/studyabroad)) which will provide additional details about applying for your visa, registering for classes, and selecting housing. Please review the information thoroughly and keep important documents in a safe place, making copies of anything essential for your records.

If you have not already done so, please confirm your participation in the program by submitting your confirmation form and deposit. Once you have notified us of your intention to participate, we will be sure to keep you informed of updates and necessary preparations for your time abroad.

I hope you are as excited as we are to welcome you to NYU Study Abroad. Though we have no doubt that you will continue to excel academically, please be aware that admission into our program is contingent upon your continued scholastic success and good disciplinary standing with your school.

Finally, as you prepare for your time abroad, please feel free to contact NYU Study Abroad at (212) 998-4433 with any questions.

Once again, congratulations!

Sincerely,

Christopher L. Nicolussi
