

SUMMER ADDRESS FORM

Deadline to return: **June 1st, 2008**

We hope you're looking forward to spending your freshman year in Florence with NYU! While we have posted most of the information we expect you will need to prepare for your freshman year online, there are some very important documents that we have to send to you. As a result, it's very important that you supply us with the address where you will have frequent access to your mail during the summer.

Please note that the address you send should meet the following guidelines:

- ✓ Must be an address you (or someone you trust) will have access to all summer
- ✓ Must include your zip code (if your country supplies one)
- ✓ Must not be a P.O. box address (our mailings will be sent via UPS)

If you are traveling this summer, please be sure to provide an address that is reliable. Also, please note that providing our office with this form will NOT change the address to which your other University documents are sent. All other University offices will send materials to the permanent address you listed on your application.
