

DROP-IN CONSULTATION HOURS

ARE YOU AN NYU STUDENT WHO NEEDS CONSULTATION TIME WITH AN IRB EXPERT?

NOT SURE IF YOUR RESEARCH REQUIRES IRB REVIEW?

ARE YOU HAVING TROUBLE COMPLETING YOUR HUMAN SUBJECT APPLICATION?

DO YOU NEED GUIDANCE ON WHAT TYPE OF CONSENT PROCESS TO USE?

One-on-one and small group consultations are available on the second Tuesday of each month from 2-4 p.m.

No appointment is needed. Please come to the UCAIHS Office at 665 Broadway, Suite 804.

Someone will be available to answer questions and/or discuss issues you may have.

Bring your questions and any prepared documents you wish to discuss with you.

Please note that these consultations are only advisory in nature and do not take the place of a formal IRB review. You will still need to submit your final application to UCAIHS for IRB review.

Be sure to check out the UCAIHS website with advice, policies, contact information, and our latest forms at: <http://www.nyu.edu/ucaih/>

If you are unable to visit us during these hours, e-mail your question or request to set up a consultation appointment to: ask.humansubjects@nyu.edu. E-mailed questions are generally answered within 24 hours Monday through Friday.
