

Updating your LinkedIn profile is a great way to let the NYU alumni community know what you are up to after graduation. Here is an easy way to search the NYU Alumni network to find other alumni to connect with.

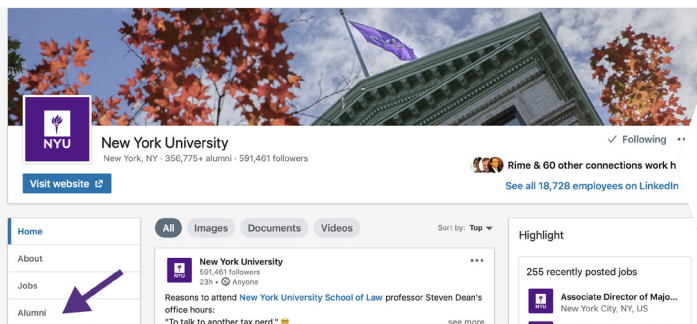

STEP 01

Search for New York University in the LinkedIn search bar.

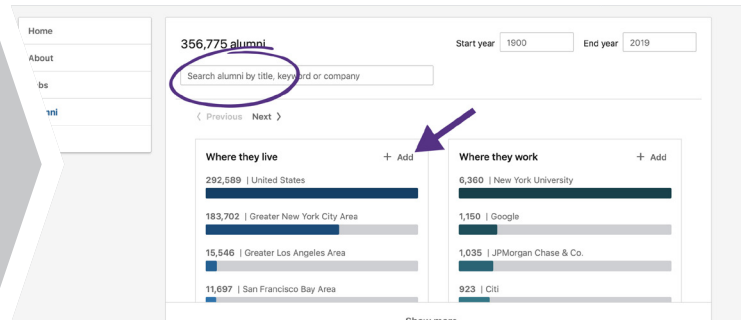

STEP 02

Once in the New York University page, select the Alumni tab.

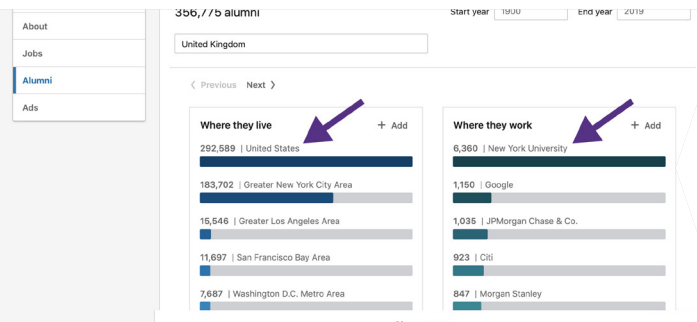

STEP 03

On the Alumni tab, you can use the search bar to look for alumni by title, keyword, or company. You can also click on the location and workplace statistics or "+ Add" to filter the list.

STEP 04

The statistics under the search bar represent the most common locations and workplaces for NYU alumni.

STEP 05

Scroll down the page to see all of the LinkedIn profiles of alumni who match your search criteria.
