New York University
2017-2018
Tuition Stabilization Plan

The Tuition Stabilization Plan is available to matriculated full-time undergraduates who wish to stabilize their current level of tuition by adding a $2,000.00 stabilization charge annually.

The tuition rate can be stabilized for up to five consecutive academic years of full-time enrollment or to graduation, whichever comes first. The plan covers tuition and registration and services fees only.

Room, board, and fees (such as laboratory fees, academic support fees, and insurance fees) are excluded from this plan and will be payable with each term bill, as incurred, at the then-current rate.

This plan does not cover summer registration, January term session registration, or part-time enrollment. Charges for these enrollments will be based on the then-current tuition rates.

A student transferring between schools of the University that have different tuition rates will be subject to an adjustment to future payments based on the tuition and fee schedules existing on the first semester covered under the agreement.

REFUNDS
Refunds will be made according to the University refund policy that is in effect at the time of withdrawal or separation from the University. Refunds will exclude all non-returnable registration and services fees, mandated school-wide fees, and the tuition stabilization payment itself.

TERMS OF THE AGREEMENT
The payment level is computed by adding tuition, registration and services fees, and a $1,000 -per-semester nonrefundable stabilization payment. The amount due each semester for students enrolling in the Leonard N. Stern School of Business is $26,514.00*. The amount due each semester for students enrolling in Tisch School of the Arts is $28,712.00*. The amount due each semester for students enrolling in Tandon School of Engineering is $25,375.00*. The amount due each semester for students enrolling in all other undergraduate schools is $26,232.00*. Students may deduct approved financial aid from their payments.

If you wish to participate in this plan, please complete and return this application by August 8 2017 to:
