Meal Plans are loaded onto your student ID, which works just like a debit card. Dining associates will swipe your card and the meal and/or Dining Dollars will automatically deduct from your account.

**TRADITIONAL DINING LOCATIONS (ALL-YOU-CARE-TO-EAT):**
When you visit a traditional dining location, your card is swiped upon entry and one meal is deducted. These locations are NYU Eats at Downstein, NYU Eats at Third North, NYU Eats at Lipton and Kosher Eatery.

**RETAIL LOCATIONS:**
All retail locations are à la carte. Your card will be swiped upon purchase. When dining at a retail location, students have the option of using Dining Dollars or a Meal Exchange. Meal Exchanges typically consist of an entrée, choice of fruit, side salad, bag of chips, or side dish and a fountain drink. If buying items separately, Dining Dollars can be used instead of, or in addition to, a meal swipe. Meal Exchanges can be used at Marketplace at Kimmel, Upstein, UHALL Commons Café, Dunkin’ Donuts, Peet’s Coffee, Jasper Kane Café, Starbucks, Argo Tea, Palladium, 18 Below and all the Market convenience stores.

**DINING DOLLARS:**
Dining Dollars can be used at all on-campus dining locations and have a dollar-for-dollar value. Students may use Dining Dollars for items like drinks and snacks. If used at NYU Eats all-you-care-to-eat dining locations, the door rates of $8.95 for breakfast and $12.95 for lunch/dinner will deduct from your account. Please note that unused Dining Dollars automatically roll over from the fall to spring semester only for active Spring Meal Plan members. Dining Dollars do not rollover after the spring semester is complete. With Dining Dollars, you never pay taxes. All campus dining locations with the exception of Dental dining locations accept dining dollars.

**GRUBHUB**
Tapingo is now Grubhub! Grubhub’s Campus Dining feature allows you to order ahead from on-campus dining locations and pick up your food. No waiting, no hassle! You can use your Meal Plan and/or Dining Dollars on the Grub Hub app. To Download:

1. Download the Grubhub app & sign up
2. Go to My Grubhub > Settings > Campus Dining
3. Confirm your campus & add your campus card via single sign-on
4. Browse restaurants on campus and start ordering pickup!

GrubHub is accepted at the following locations: Starbucks, Argo Tea, Brkfst & Co. at UHALL Commons Café, Dunkin’ Donuts, Jamba Juice at Upstein, The Egg Shoppe at Upstein, Daily Press Deli at Upstein, Peet’s Coffee at Kimmel, Realwich Deli at Kimmel, Burger 212 at Kimmel, Student Choice at Kimmel, Street Eats at Kimmel, Jasper Kane Café and Bridgeview Market in Brooklyn.

Meal Plans are easy to use and give you access to dining locations all around campus that are open as early as 7:00 a.m. until as late as midnight.

Meal Plan options vary for students in Washington Square and Brooklyn. All Meal Plans are accepted at all Washington Square and Brooklyn locations.

9 / BEHAVIOR
NYU Eats follows the University Bullying, Threatening, and Other Disruptive Behavior Guidelines. To view the guidelines, please visit the NYU Website, under: University Policies and Guidelines.
1/ AM I REQUIRED TO HAVE A MEAL PLAN?
All first-year, visiting and transfer students living in Brittany, Founders, Goddard, Lipton, Rubin, and Weinstein Halls — also known as “traditional-style residence halls” — must begin each semester with a minimum of 225 meals, therefore they must purchase the 225 Flex Meal Plan or higher. All first-year, visiting and transfer students living in apartment-style residence halls are required to begin each semester with a minimum of 120 meals or higher. All first-year, visiting and transfer students in the Tandon School of Engineering who live in Brooklyn residence halls are required to register for the 120 Flex Meal Plan or higher. All upperclassmen living in Othmer are required to be on the Brooklyn 50 Flex Meal Plan or higher. As a Spring Admit or Spring Cohort you must complete two full semesters on a Meal Plan (i.e. Spring and two Summer sessions or Spring and Fall to complete your Meal Plan mandate).

2/ HOW AM I CHARGED FOR MY MEAL PLAN?
All Dining charges appear on the student’s Bursar account in 24-48 hours after a purchase has been made. When a student signs up after the beginning of a semester, the plan and charges are prorated for the remainder of that semester. Charges and refunds for all Meal Plans (flex plans and Dining Dollars included) are calculated on a daily basis. Charges begin on the activation date, not when the students begins using the plan. Upgrades can be made through the portal at mealplans.nyu.edu.

3/ CAN I CHANGE OR CANCEL MY MEAL PLAN?
If eligible, Meal Plan changes and cancellations may only be made via mealplans.nyu.edu prior to September 17, for Fall 2019, and February 4, for Spring 2020.

4/ WHAT HAPPENS IF I DO NOT USE ALL OF MY MEAL SWIPES OR DINING DOLLARS?
Any unused meals expire at the end of each semester at 4:00 p.m. For active Meal Plan members, unused Dining Dollars carry over from fall to spring semester but expire at the end of the spring semester. The Meal Plan participant must maintain an active Meal Plan in the spring semester in order to receive the unused fall Dining Dollars.

5/ WHAT IS THE DIFFERENCE BETWEEN DINING DOLLARS AND CAMPUS CASH?
Dining Dollars can be used only for purchases in NYU Dining Halls. Campus Cash can be used at a variety of locations, including the bookstore and laundry services, as well as all NYU dining locations. Dining Dollars are part of the Meal Plan and are charged to the Bursar account and Campus Cash is an upfront payment via debit or credit card.

6/ WHAT’S BEING SERVED RIGHT NOW? CAN I CHECK THE MENU?
Our menus are available online at nyueats.com and through the NYU Mobile app. Menus are subject to change.

7/ WHAT IF I HAVE SPECIAL DIETARY NEEDS?
Discuss your special dietary needs with NYU Eats. If you are seeking general nutrition information on healthy eating and weight maintenance, you can also meet one-on-one with the Dietitian by emailing nyu.eats.nutrition@nyu.edu.

8/ WHAT IF I HAVE A SEVERE MEDICAL CONDITION, FOOD ALLERGY, OR DISABILITY, AND NEED DIRECTION TO NAVIGATE THE DINING PROGRAM?
A medical condition or disability that warrants an exception to the mandatory Meal Plan policy, you must submit a special accommodations form with supporting documentation to the Moses Center for Students with Disabilities: (212) 998-4980. For forms and additional information, visit to www.nyu.edu/csd.

9/ WHAT IF I HAVE A FOOD ALLERGY OR SPECIAL DIET, WHO CAN I SPEAK TO?
NYU Eats works diligently with students who have food allergies to develop a dining plan that accommodates their needs. Please note that there are limitations to the type of accommodations that NYU Eats can provide and strict avoidance may be the only solution to safeguard against food allergens. Students with allergies can reach out to Christina Kamilaris MS, RDN, CDN at nyu.eats.nutrition@nyu.edu.
