Dining at a Glance
FALL 2023

Meal Plan OPTIONS

NYU requires all first-year, transfer, and visiting students living in NYU housing to participate in a Meal Plan - but all students can sign up to enjoy the convenience of dining on campus. Meal Plans are easy to use and give you access to dining locations all around campus.

Meal Plan BENEFITS

- Nutritious all-you-care-to-eat meals at NYU Eats dining halls provide great value for students!
- Dining with a meal plan saves you money since all transactions at NYU Eats locations using your meal swipes or dining dollars are tax free!
- Meal plans give you access to a large variety of dining options with rotating concepts, and Grubhub pre-ordering - perfect for students on the run!
- With a meal plan, you don’t have to worry about carrying around cash, credit cards, or debit cards. Your money is on your ID card, and if it needs to be replaced, your balance will be transferred upon receiving a new card.
- Meal plans are flexible by allowing you the opportunity to ‘exchange’ your meal swipes for an equivalent meal in nearly all retail, convenience, a la carte, and coffee locations across campus.
- Gain access to fun dining events, such as our Teaching Kitchen, Palladium Brunch and giveaways all year round!
