The NYU Community Fund celebrates more than 36 years supporting arts and culture, community service, education, health care, and agencies that serve children and youth, the elderly, and hungry and homeless New Yorkers. Every dollar pledged to the Community Fund goes directly to neighborhood organizations. The Combined Campaign raises money for both the NYU Community Fund and the United Way of New York City—collectively helping tens of thousands of New Yorkers.

Report from the 2017–2018 NYU Combined Campaign:

- Last year, New York University employees contributed over $95,000 to the NYU Community Fund.

- The fund awarded grants to 74 community-based organizations in Lower Manhattan and Brooklyn (see the list of the award recipients on the back cover).

- Employee contributions to the United Way of NYC last year set an all-time record with over $38,000 being raised for programs across the city.

- Each year the NYU Community Fund recognizes one outstanding organization with the Thom Fluellen Award, named for the late Staff Director of the Fund. In 2018 Mariner’s Temple Baptist Soup Kitchen was chosen to receive the grant of $5,000 to help support their “Helping Hands Outreach Program” which provides clothing, food, job training, and social services referrals to disadvantaged families and individuals in Lower Manhattan.

- In addition to the NYU Community Fund grants, 13 organizations serving children and youth in Greenwich Village are the recipients of $25,500 in grants from the T.G. White Fund. Among the groups receiving these awards are recreation centers, settlement houses, and community service organizations. The T.G. White Fund was established by long-time Greenwich Village resident Theodore Greeley White, who died in 1913. He left his estate to NYU for the support of charitable Greenwich Village organizations that aid young people.

- NYU’s Combined Campaign begins November 12, 2018 and concludes January 18, 2019.

- Community groups may apply for grants beginning December 1, 2018. The Community Fund Selection Committee reviews requests and makes decisions by the end of April, when recipients are notified.
