Every Dollar Makes a Difference

The NYU Community Fund celebrates more than 39 years supporting arts and culture, community service, education, health care, and agencies that serve children and youth, the elderly, and hungry and homeless New Yorkers. Every dollar pledged to the Community Fund goes directly to neighborhood organizations. The Combined Campaign raises money for both the NYU Community Fund and the United Way of New York City—collectively helping tens of thousands of New Yorkers.

NYU Combined Campaign Report

- Last year, **New York University employees contributed over \$85,000** to the NYU Community Fund.
- The fund awarded grants to more than **80 community-based organizations** in Lower Manhattan and Brooklyn.
- Employee contributions to the United Way of NYC last year totaled **\$25,000** in support of their mission, getting the most vulnerable neighbors on the path to self sufficiency.
- Each year the NYU Community Fund recognizes one outstanding organization with the **Thom Fluellen Award**, named for the late Staff Director of the Fund. In 2021 **HousingPlus NYC** was chosen to receive the grant of \$5,000 to support community-based housing and comprehensive services to New York City women and children in crisis. Founded in 2002, their mission continues to be an unwavering commitment to addressing the lack of housing and services for historically underserved and marginalized women and their children, including female veterans, justice-involved women, and women with histories of mental health challenges, sexual abuse, domestic violence and other trauma.
- In addition to the NYU Community Fund grants, 14 organizations serving children and youth in Greenwich Village are the recipients of **\$25,500 in grants from the T.G. White Fund**. Among the groups receiving these awards are recreation centers, settlement houses, and community service organizations. The T.G. White Fund was established by long-time Greenwich Village resident Theodore Greeley White, who died in 1913. He left his estate to NYU for the support of charitable Greenwich Village organizations that aid young people.
- NYU's Combined Campaign **begins November 8, 2021 and concludes January 21, 2022**.
- **Community groups** may apply for grants beginning **February 15, 2022**. The Community Fund Selection Committee reviews requests and makes decisions by the end of June, when recipients are notified.

2020-2021

Highlights

Stronger Together. Thanks to the many supporters of the NYU Community Fund, **all of the agencies** funded in 2019 and 2020 **continue to serve** our communities today. During an unprecedented fiscal period for nonprofits—especially hard-hit during the pandemic—your generosity reminds them: ***as they are still here for their communities, we are still here for them.*** Last year, the agencies of the NYU Community Fund provided:

800,000+

hot and nutritious meals were served or delivered

10,000

clients were helped with housing advocacy

12,000

pre-school children received services

7,000

free musical and theater performances

30,000

youth and families got legal representation

On an average day, **BRC (Bowery Residents' Committee)** helps nearly **3,000 individuals move** from homelessness and hopelessness to health, housing, and independence.

During this past year the needs of those battling food insecurity was magnified to staggering levels. Many organizations pivoted from congregant meal service in facilities to home delivery. **University Settlement** realigned all of their in house meal programs and **increased service from 2,500 to 4,000 meals each week.**

The educational divide created by the pandemic forced programs serving youth to find points of access to technology and learning in the city's most underserved communities. **A Place for Kids** in Chinatown provided virtual **after-school education to over 200 K-6th graders** each day. **Tech Kids Unlimited** helped over **140 students** with learning and emotional disabilities participate in workshops and continue their education, safely from home.
