Job Description

Embry-Riddle Aeronautical University has an ambitious agenda for the next five years, focused on expanding its research capabilities, graduate programs, and facilities and recruiting highly-talented faculty. The University strives to expand its presence in aerospace and aviation research and to be recognized globally in select signature areas while growing its discovery-driven undergraduate programs. In support of this agenda, multiple Presidential Fellow positions will be filled.

Presidential Fellows will hold a Distinguished Faculty position in one of the Colleges across the three campuses in Daytona Beach, Prescott, or Worldwide. The appointments come with tenure and will be available as early as January 2021.

The University invites nationally renowned candidates in the areas of **Aviation Cyber Security, Aviation Data Science and Business Analytics, Flight Research, Unmanned Aerial Systems (UAS) and Autonomous Systems** to apply. Candidates for these positions are expected to have an exemplary record of sustained funded research, supervision of doctoral students, an excellent publication record, and experience in building new research programs and leading major labs or centers.

Qualifications

Candidates should have an earned terminal degree in a related field and have the credentials for Associate or Full Professor rank. Women and underrepresented minorities are especially encouraged to apply.

Candidates must specify a preferred home department, college, and campus as well as any desired joint appointment.

Candidates must submit:

- (1) a cover letter;
- (2) a Curriculum Vitae;
- (3) teaching philosophy;
- (4) a research plan; and
- (5) the names and contact information of at least three references.

Candidate materials should be submitted online by applying to requisition #190373 at <http://careers.erau.edu>.

Any questions should be directed to the University's Associate Provost for Research, Dr. Remzi Seker at sekerr@erau.edu or 386.226.7409.
