

Committee on Faculty Benefits and Housing
Report for the C-FSC meeting of December 3, 2019

The C-FSC Benefits Committee will be meeting jointly with the T-FSC committee and with Assistant Vice President for Global Benefits Trish Halley on December 12th, to hear updates on the conclusion of the annual enrollment period and the outlook for benefits for the coming year.

The fourth-quarter meeting of the Retirement Plan Investment Committee has been moved to avoid conflict with the December meeting of the University Senate, and will now take place on Monday, December 16th, which will allow me and the representatives from the T-FSC and AMC to be present to observe.

Respectfully submitted,

Vincent Renzi,
chair
