

## **Committee Report for PPTM**

The PPTM Committee met for the first time since December, 2020 on January 26th to discuss a new chair(s) to replace Dr. Lapiner, who retired in Dec. Drs. Partridge and Zelikoff agreed to equally co-Chair the Committee. In addition, Dr. Mincer (College of Arts and Sciences) joined the Committee as a new member. Our next Committee meeting in Feb. will be focused on the policies for contract faculty at College of Global Public Health and brought up for approval by T-FSC on our March 4th meeting.

For the February 4th T-FSC meeting, we are planning to have a discussion by Dr. Mincer and the Committee regarding the PPTM response to recent SoM Policy procedures.

Thank you, Judith and Niki
