

C-FSC Committee on Education Policy and Faculty Student Relations

Members: Joseph Borowiec, Spiros Frangos, Scott Illingworth, Fidelindo Lim, Noelle Molé Liston, Jonathan Ritter, Ethan Youngerman

January 25, 2018

Scott Illingworth from the committee met with Robert Lapiner and Sharon Weinberg from the T-FSC committee on Education Policy and Faculty/Student Relations. He relayed our desire to work with them on the question of spring term admissions and any potential alterations to the existing academic calendar of the university.

We are working to establish a time both committees can meet jointly and are seeking information from colleagues who's schools or departments are currently engaged in planning or introducing spring term admissions.

We have also reached out again to the Student Senate to seek a time to meet and discuss their priorities for the coming semester.

Respectfully submitted,

Scott Illingworth
