

C-FSC Educational Policies and Faculty/Student Relations Committee

Date: May 1, 2020

Members: Scott Illingworth (Chair), Alison Aldrich, John Gershman, Noelle Molé Liston, Iskender Sahin

REPORT

This academic year the Education Policies Committee drafted a resolution related to smaller language programs, met with SSC leadership to continue an open dialogue, and began planning a possible joint session with SSC for the 2021-22 academic year. We also served as liaisons to MJ Knoll Finn and Enrollment Management on the potential impacts of their policies and planning related to contract faculty across the university.

This fall we handed off to other committees and/or the larger council/senate previous efforts on the use of course evaluations in faculty review/pay/retention discussions.

Respectfully submitted,

Scott Illingworth
