

Faculty Grievance Committee Report

September 7, 2022

On 5/11/2020, the C-FSC Council sent the approved “Resolution to Amend, Replace, and Clarify the Grievance Procedures Pertaining to Full-Time Continuing Contract Faculty Outlined in the Faculty Handbook” to Provost Fleming.

We realize that Covid has put a hold on many matters, but the contract faculty grievance process is especially important to contract faculty. We would like to ask the Steering Committee to make inquiries about the status of our council’s resolution.

Respectfully submitted,
