*Approved 12/15/11*

At the December 15, 2011 meeting of the Faculty Senators Council, the Council approved the following resolution:

The FSC proposes that the revised text below be inserted into *The Faculty Handbook* (on p.12, under the section heading “University Councils and Commissions”, subsection “The Faculty Senators Council”):

##### *The Faculty Senators Council*

Each of the faculties, according to its size, has one or more representatives on the Faculty Senators Council, a University-wide body of elected professors. University Bylaw 63 (a) provides that “The Faculty Senators Council may consider any matters of educational and administrative policy and will function as the Faculty Personnel Committee of the Senate. It will designate representatives on the other standing committees, and in appropriate instances on the ad hoc committees, of the Senate. It may bring to the attention of the various committees of the Senate any matters that it believes should be presented to the entire Senate. It may bring to the attention of the President and Chancellor any matters that it wishes to discuss with him or her. It will perform such other educational functions as are assigned to it by the President and Chancellor or by the Board.” The Faculty Senators Council, in accordance with the [rules and procedures](#) it adopted, adheres to the principles of shared governance.
